POSITION OF RESPONSIBILITY

My Resposibility in KI Radio

- As a station head in radio, I led our team in organizing events and coordinating team efforts. We held weekly meetings to discuss the progress of the radio station and brainstormed ideas on how to increase its popularity among college students. Additionally, we launched a podcast on Spotify. Our extended to serving as media partners for various clubs, promoting their events and activities.

VIRTUAL INTERNSHIPS

AWS Cloud Virtual Internship in AICTE EDU Skills

- Here in this Virtual Internship, I learnt completely about aws services like S3 bucket, VPC etc.

Salesforce Adminstrator Virtual Internship in SmartInternz

- In this role, I gained insight into Salesforce and its functionalities. As an administrator, I managed user accounts, licenses, reports, dashboards, and other related tasks.
